Thank you Peg. Much appreciated.

And thanks Rick.

Good morning!

I reserved the AOO Large Conf. Rm. from 8:30 - 1:00, adding a half hour time buffer on each end.

Hi Dianne and Peg,

The Bristol Bay Team is planning a conference on climate change and salmon with Anchorage experts on August 10th after the peer review meetings. Can we use one of you conference rooms from 9 until 12 that morning? They are expecting 12-15 people and you and appropriate staff are welcome

Rick:

Would it be possible to reserve a conference room at the Region 10 Anchorage office for this informal meeting of scientists? We anticipate about 12-15 scientists and would like to plan for a 9:00 to 12:00 AM meeting on Friday, August 10.

Rebecca is working on the invite list. Who from Region 10 might be interested? Is Jackie still involved with climate change issues?

Jeff

Subject: Alaska Climate Change Meeting August 10th

Hi Jeff,

Joe Ebersole and I are in the process of contacting climate change and salmon experts to meet with us on Friday August 10. We are interested in getting their feedback on our conceptual diagram, identifying the most important pathways, evaluating our literature review, and providing guidance on our final product. We are hoping to meet with people from government and non-government organizations.

Is there someone in the EPA Alaska office that could help us find a place to meet and help facilitate the logistics of the meeting? I am thinking purely from a logistics standpoint, reserving a room, projector, security into the building, anything that I haven't thought of. Any suggestions?

Thanks,

Rebecca
